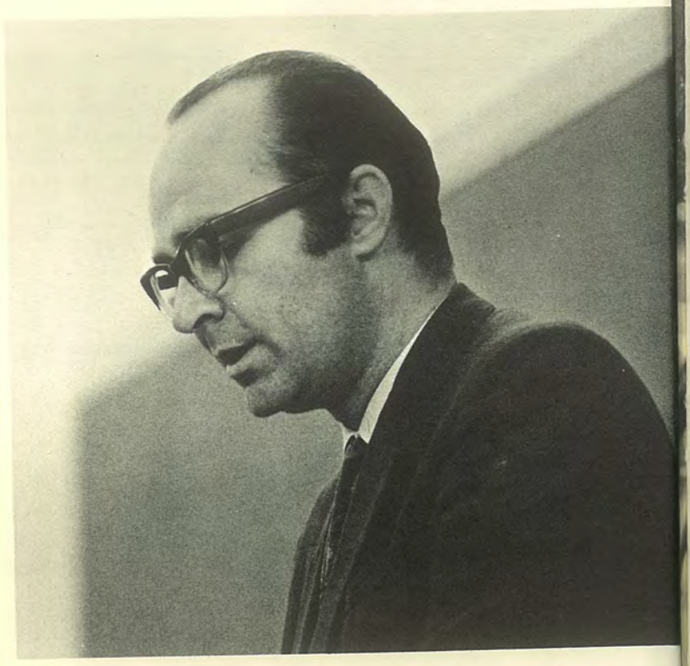
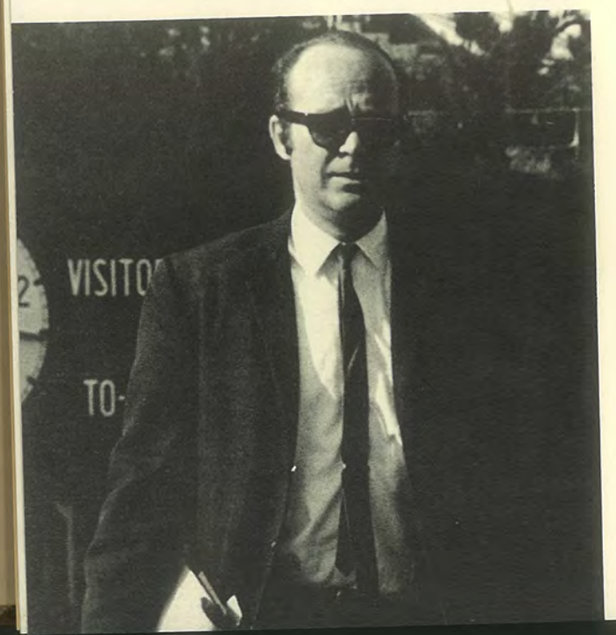
Dedication

This year the Adjutant staff has dedicated the Adjutant to the two people who, in our opinion, best express our concept of the editorial idea. These men have always had something cheery to say. They have strived to make life at the Academy more pleasant. Both have dedicated many years to the betterment of this academy.



P.F.C. Michael Gaddis

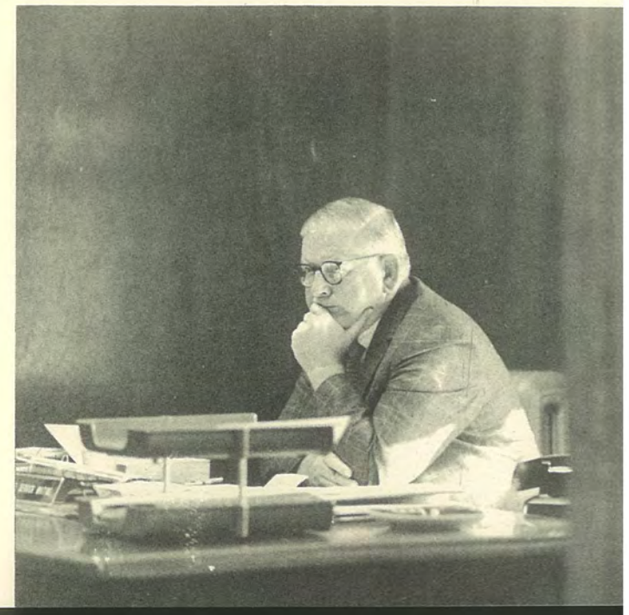


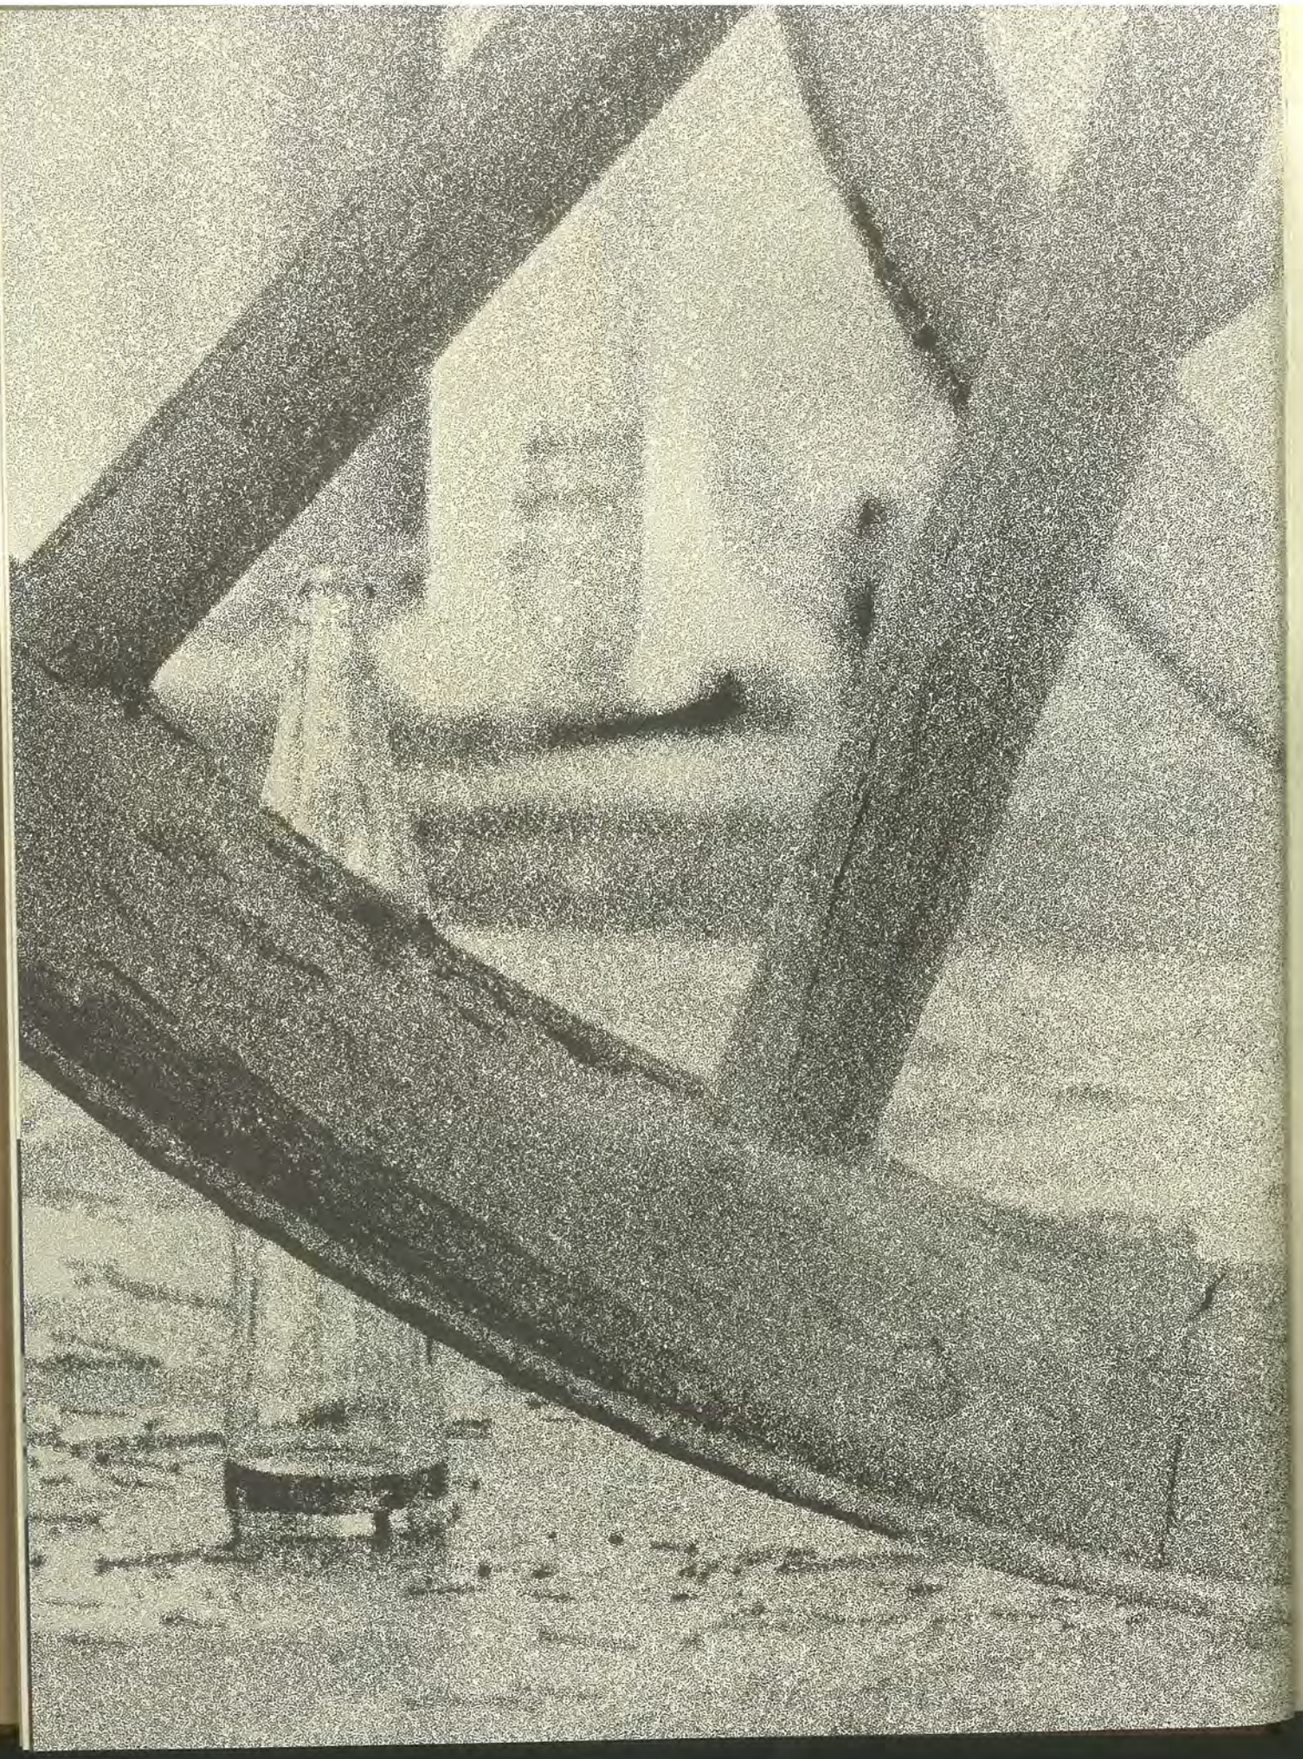
Mr. Gaddis has been with the Academy for nine years. He has been a campus supervisor and a dorm master besides being the Speech and Drama and English teacher. Gad has also put on many a fine play. These plays have always been one of the highlights of the year.

Col. Derrick Whiting

These men are respected by students and teachers alike. They aren't just faculty members but friends. Many a troubled cadet has solved his problems through the help of these two men. Because they are the way they are, we have dedicated this years' Adjutant to these two men.

Col. Whiting has been with the Academy for four years. He came to the school as an English teacher. He then became the lower school headmaster. His third year here he was appointed assistant Headmaster. Today he is the big man, the Headmaster.





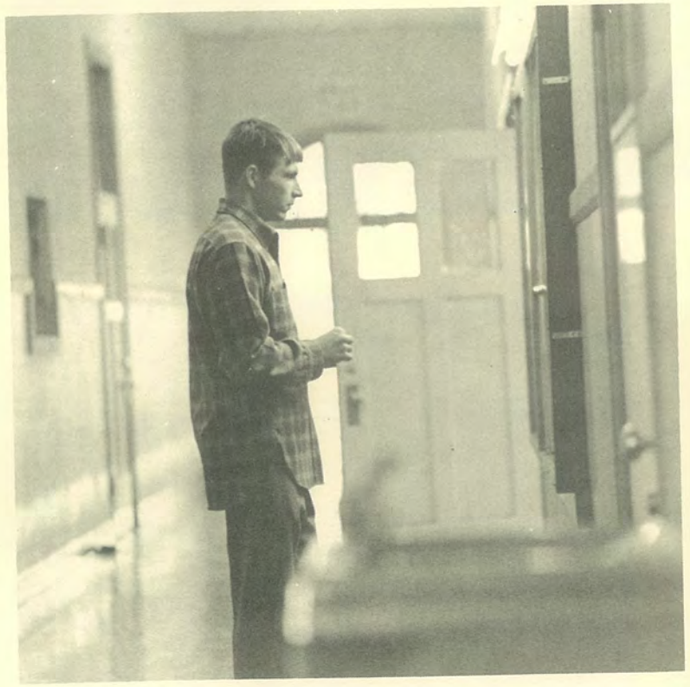
Only change can
preserve.
Standing still,
we fall behind.

Let Nature set your pace:

her secret is patience.

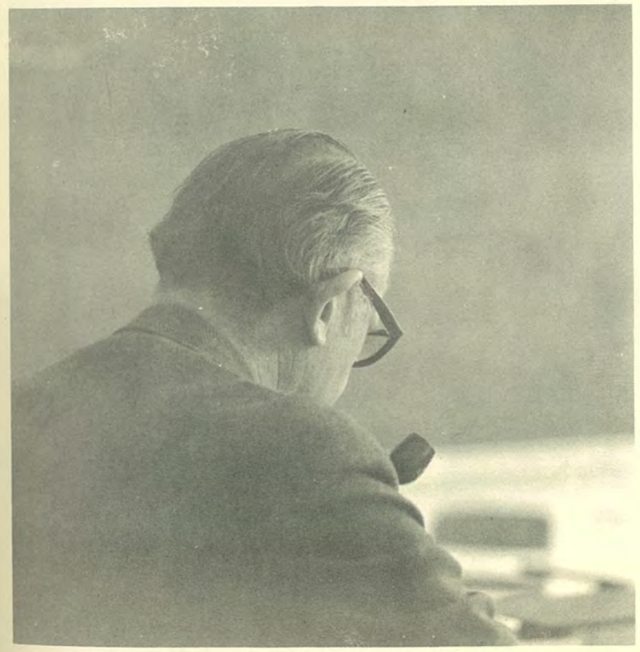
Emerson

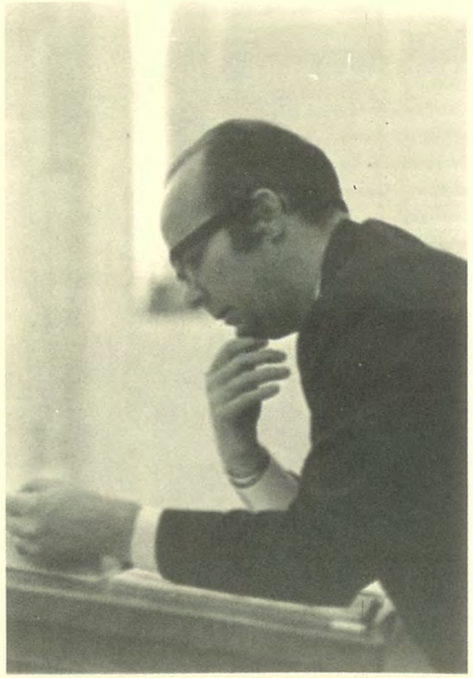
Good thoughts, even if they are forgotten,

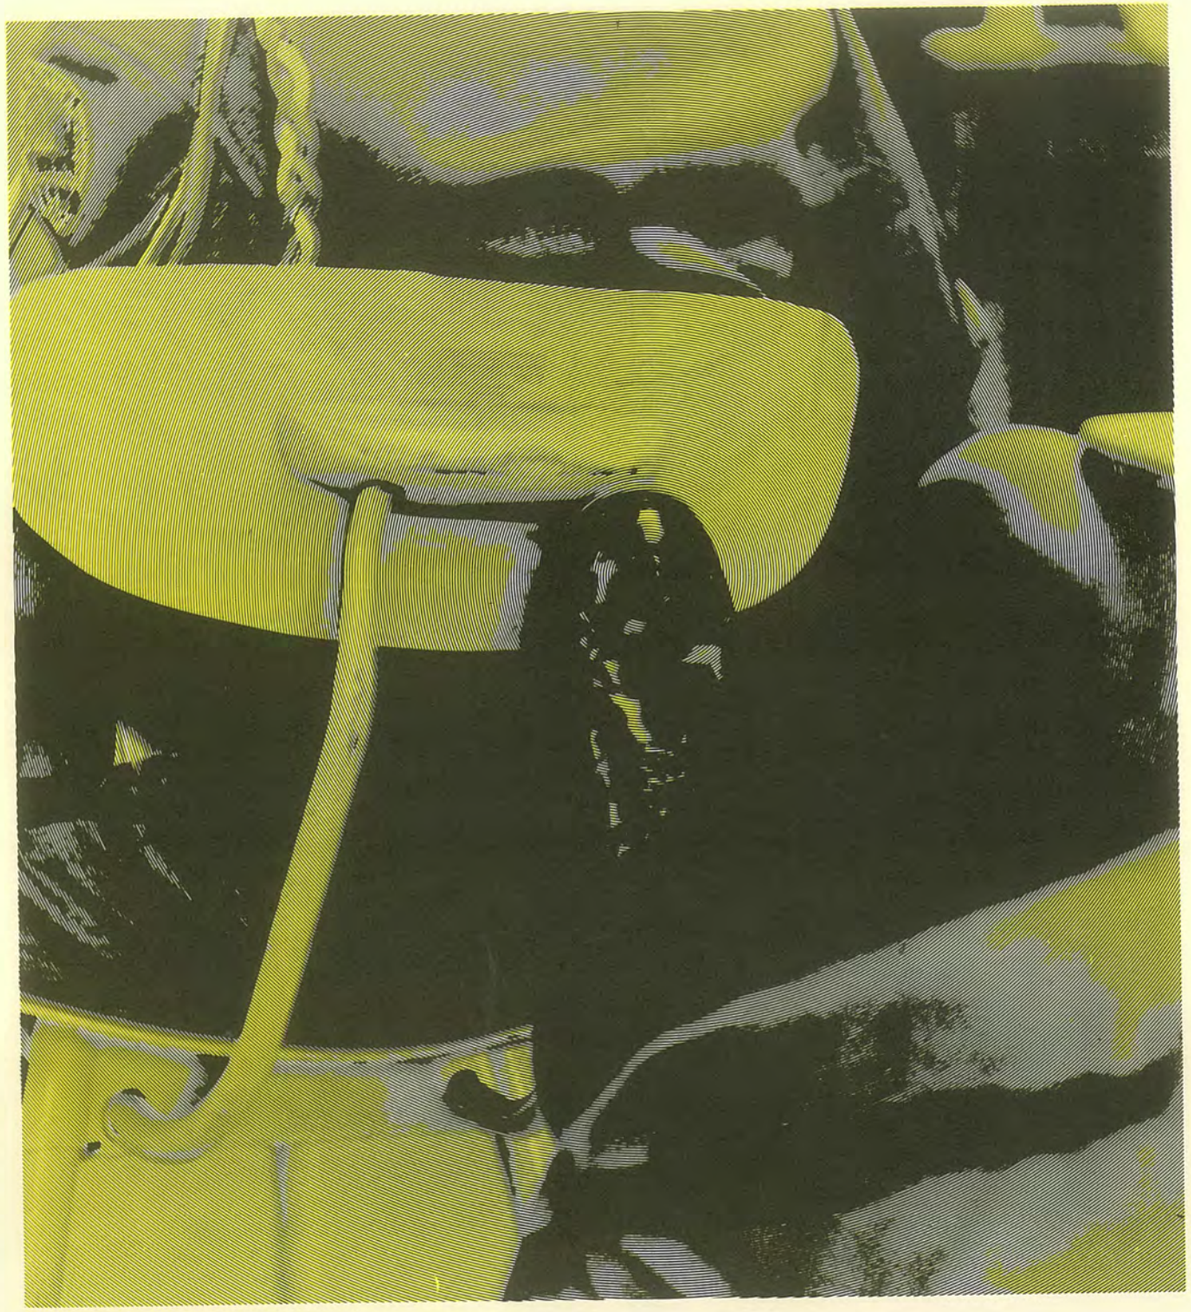


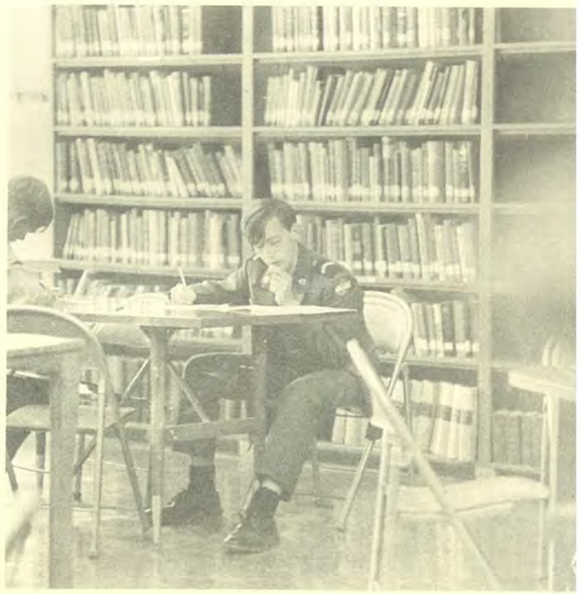
are still not lost.

Publius Syrus



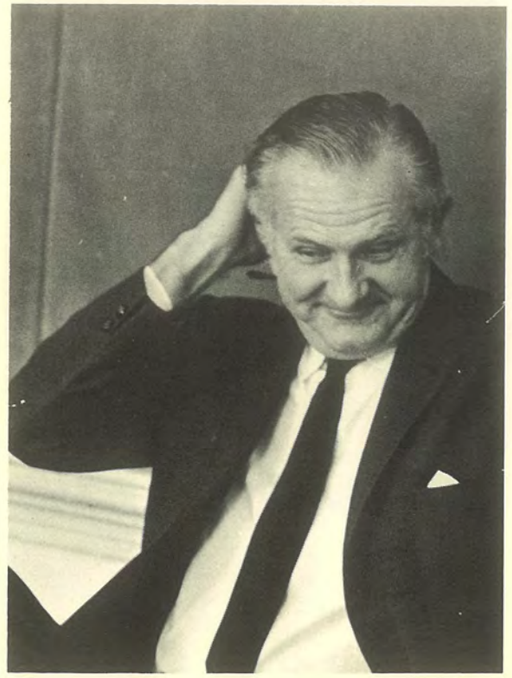


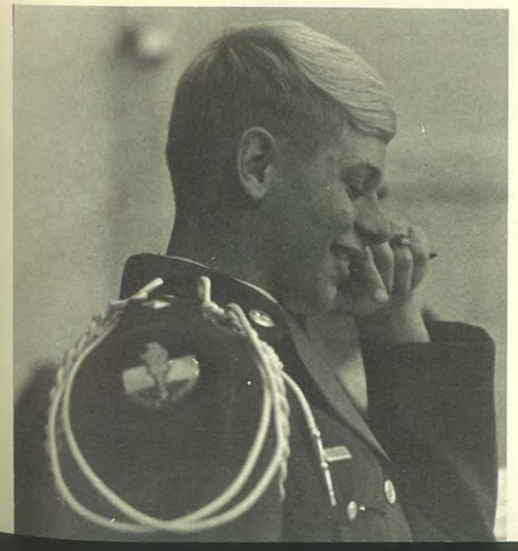




It is the feet of clay
that makes the gold
of the image precious.

If you're not interested in making others happy,
You'll search all your life long for happiness yourself.



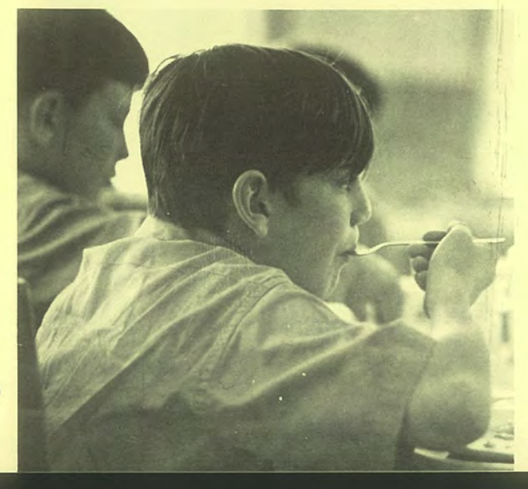


Being happy is the duty we most neglect.

Life has taught me
to think,
but thinking has not
taught me how to live.

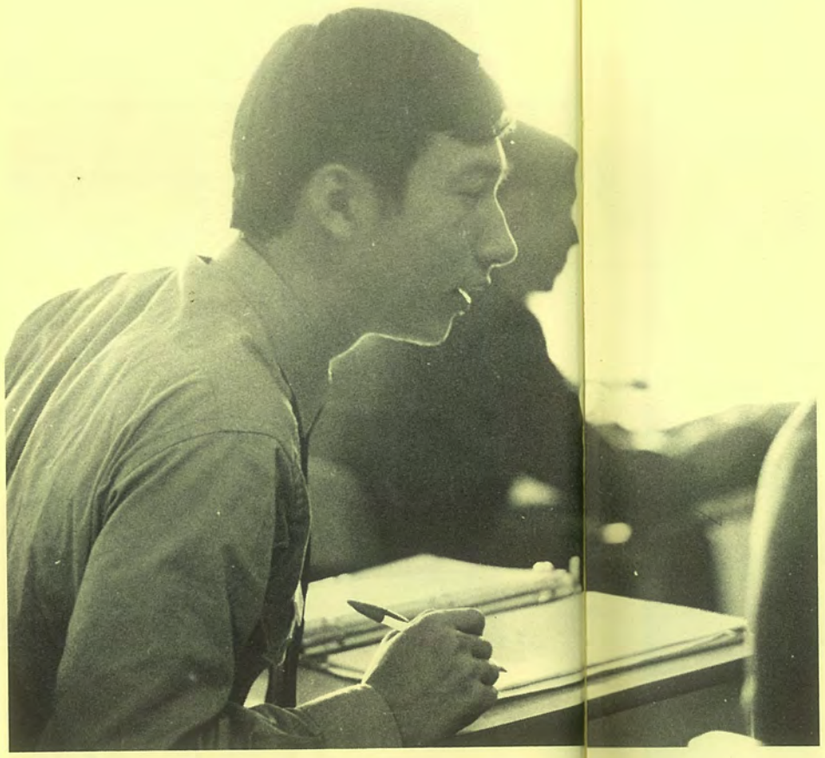
Herzen

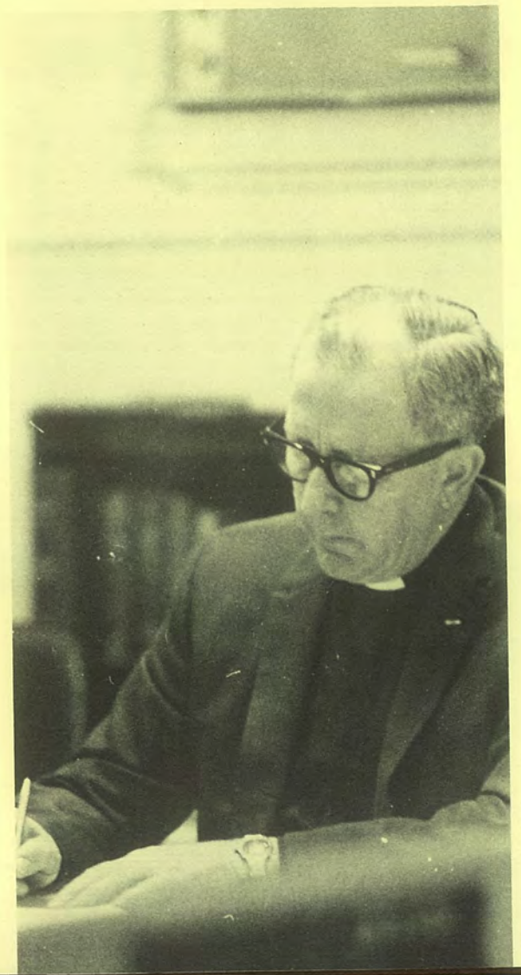
One should eat
to live,
not live to eat.
Franklin

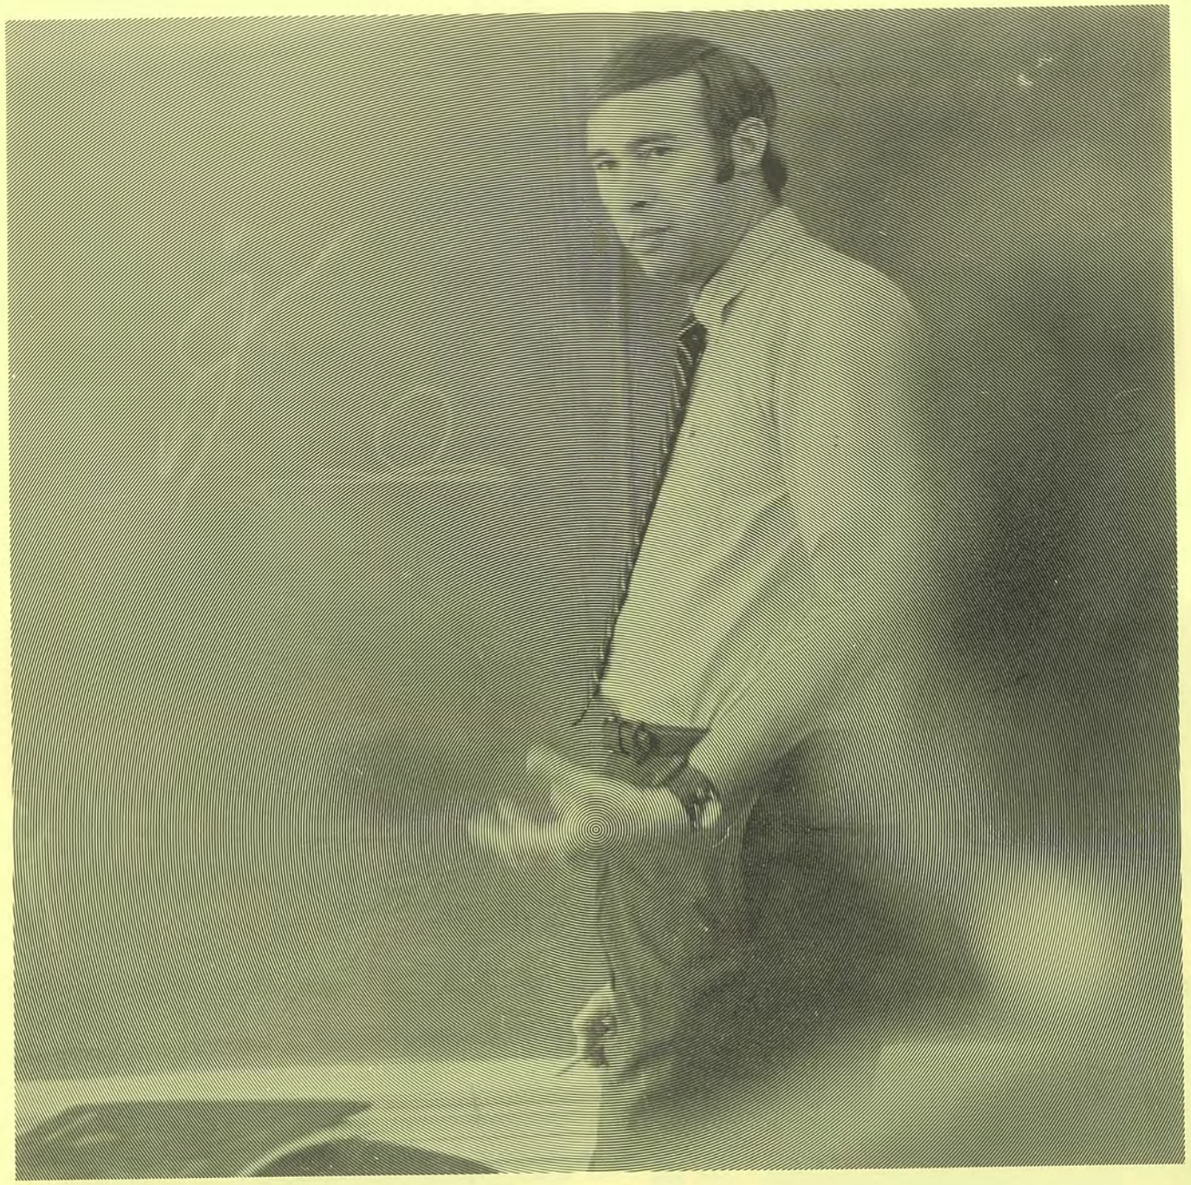


An honest man's
the noblest work
of God.

Pope







He teaches who gives and
he Learns who receives.

Emerson

A schoolmaster should
have an atmosphere
of awe, and walk
wonderingly, as if he
was amazed at
being himself.

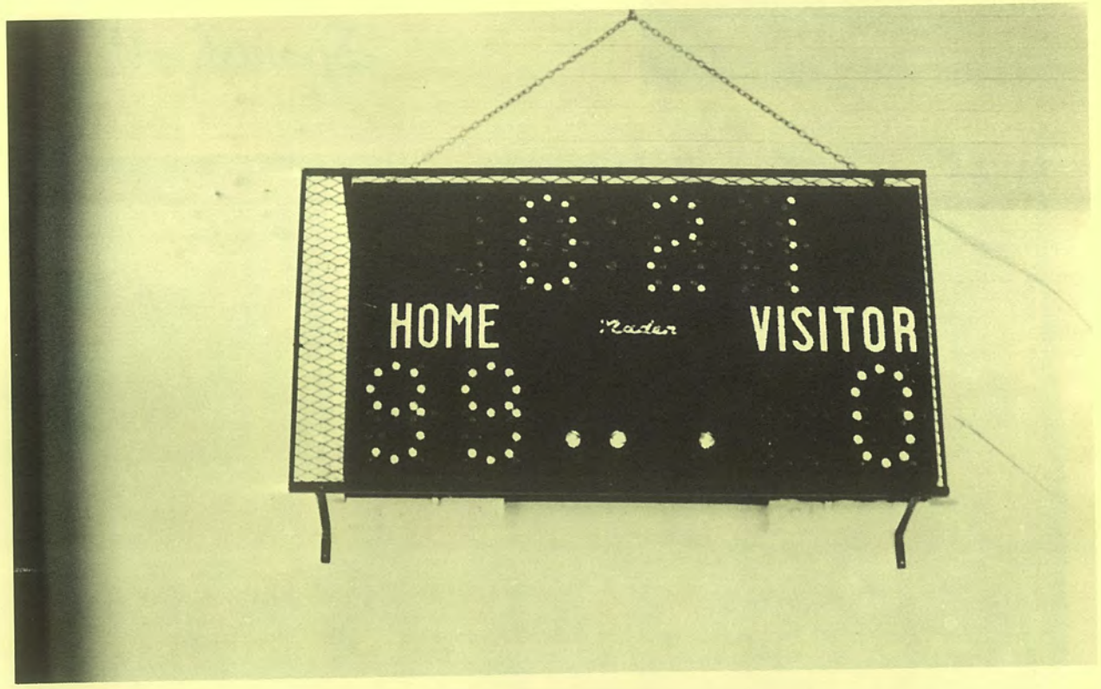
Walter Bagehot

He that loses wealth, loses much;
he that loses friends, loses more;

But he that loses his
spirit loses all.

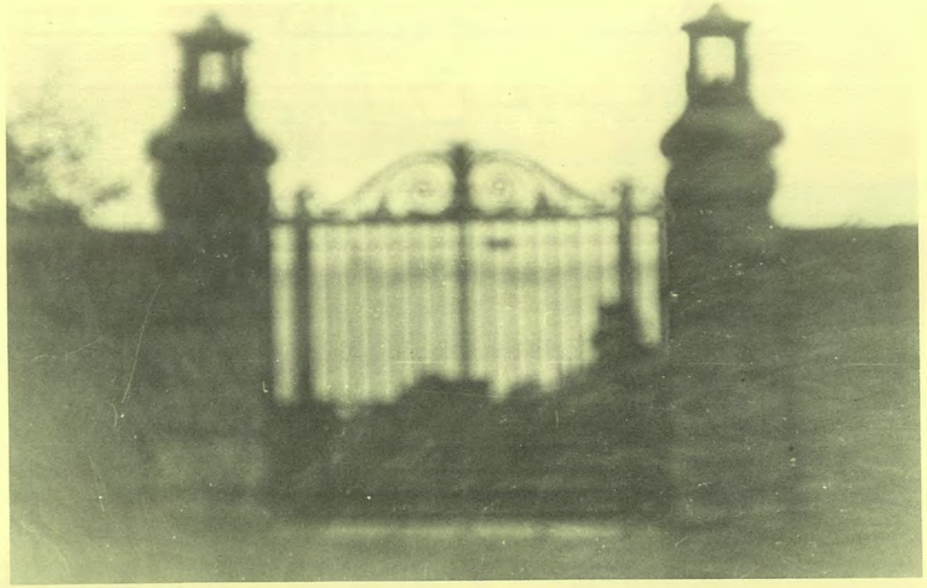
Spanish Maxim

Win without boasting,



Lose without excuse.

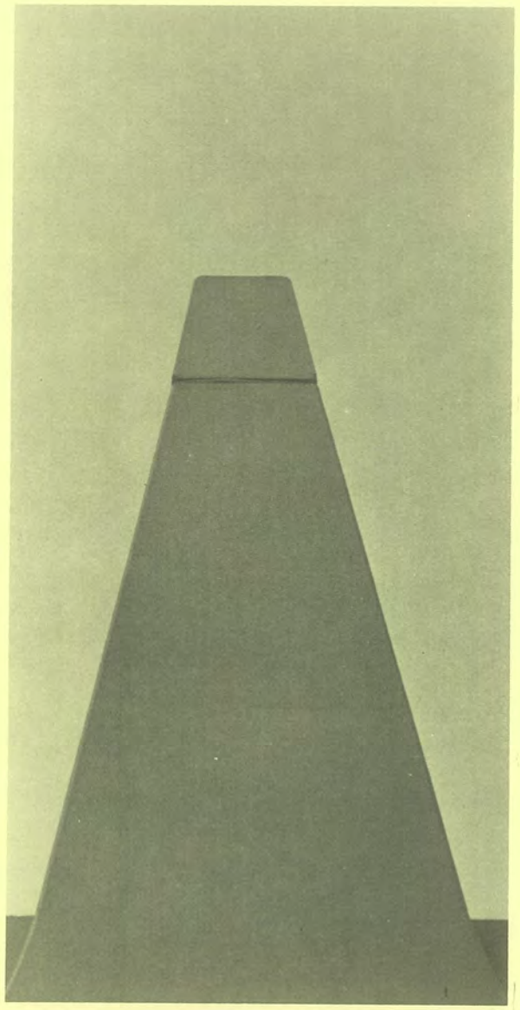
Albert P. Terhune

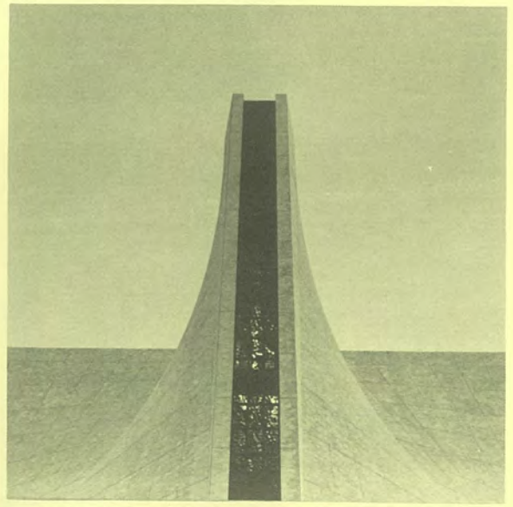


The true past
departs not;

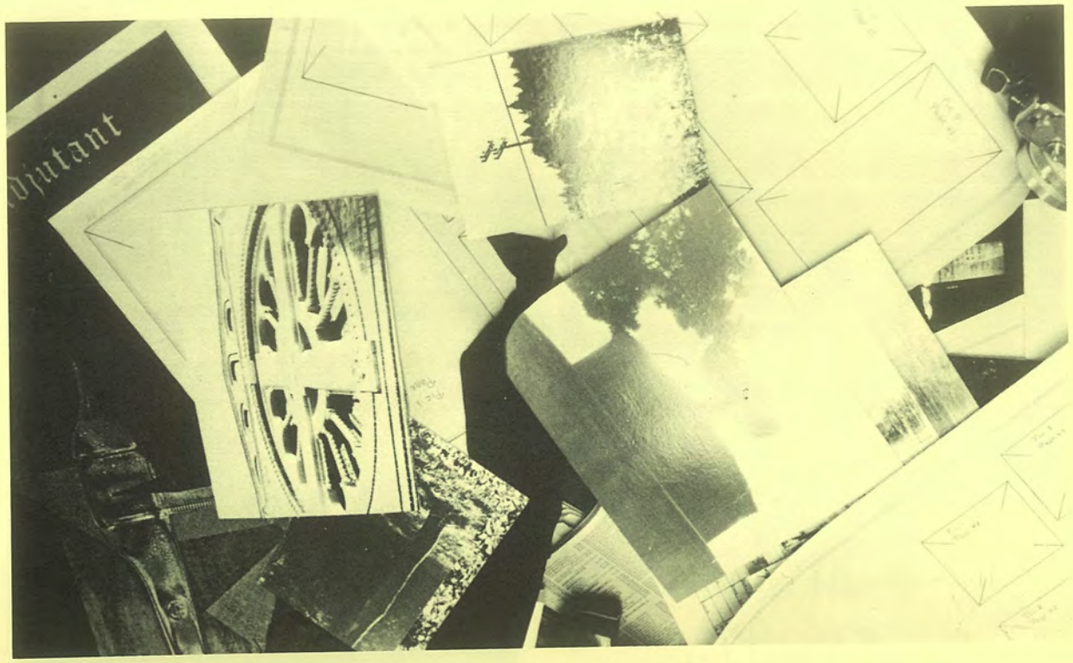
no truth or goodness
realized by man
ever dies, or can
die;

but all is still here,
and,
recognized or not,





lives and works
through endless
changes.
Carlyle



Yesterday is but today's memory,

So smile on your brother,

Try to live with one another,

And make tomorrow today's dream.

Ye Ole

Faculty

What has happened can never be undone.
Conscience will endeavor to obliterate the signs.
What is needed is the new day's sun,
To start again with cleansed and open minds.

To live in Peace with one another without a care,
Be they black or white or yellow without a scare.
These days are but dreams of tomorrow.
Happiness, bliss and tolerance, without sorrow.

Is it too difficult to smile and pass the time of day?
Or to break bread with the many of whom we meet.
To understand people, their creeds, should offer a ray,
To fortify, and be pleasant on the narrow street.

So, what has happened, forgive, yet not forget.
Their lessons are learn't, for rules, a new set.
Dream, yes dream of the 'morrow,
For yesterday's dream was one of sorrow.

Col. F. B. Whiting Headmaster

He Who Councils, Aids

The administrative council does much to propel this school towards its motto "Omnibus Semper Excellere", which means "In all always to excel." The military department working closely with members of the Battalion Staff and teachers, help to make this school maintain an "Open Door Policy" with all the students.

Change Is The Sign Of Progress

For many years the Board of Trustees has consisted of twenty-one members, of which two-thirds were Episcopalians. At the Convention in San Francisco in November, the Board decided not to apply for status as a Diocesan Institution, and by so doing this allowed the context of the Board to change. The membership of the Board at present, consists of nine gentlemen of various denominations.

The main objectives of the Board are to refinance the Academy, to strengthen the Academic ability of all students and to update all buildings.

Any Part of Learning Is Reading.

The library this year is quite different from what it's usually been. It's been remodeled, adding a reading corner where a student can read and relax with a book or just his favorite magazine (excluding PLAYBOY of course???). Mrs. Perazzo has updated the reference section and opened a new course to familiarize students with the workings of the library. We hope to see more improvements like this in the future so that our library is an even better part of the Academy.

Mr. Boris Ilyin

Mrs. Ceil Kraus

The Language Department this year has centered its attention on society's greatest hang-up: Communication.

Mike Gaddis, head of the English Department, having charge of the juniors and seniors, and Ceil Kraus, teaching lower-school and remedial English, have strived for an identity of language in order to preserve self-expression of ideas.

Lydia Deinies, head of the Language Department, who teaches Spanish, has been with the Academy several years and has taught through understanding, in order to enable the students to overcome the language barrier. Oliver Nixon, teaching Latin, French and English, has followed the same line with great optimism.

Marina Isabeau, who teaches Latin, found out that it's a little more difficult getting adjusted to teaching in a Military Academy, but she took it in stride and started teaching.

Last, but not least, is Mr. Boris Ilyan, our Russian and English instructor, who has been here for two years now. To give one an idea of what the Russian language is all about, one of the students said, "It's really strange, man!"

MILITARY DEPARTMENT

With the retirement of Colonel Alfred after the semester break, the military staff has had its hands full. Stepping into the shoes of Colonel Alfred has been SGM Harry Balster. Helping SGM Balster has been SFC Blake, SFC Sherman, MSGT Buckley, and SGM Roberson.

Sgt. Blake and Sgt. Sherman have had their hands full with military instruction classes and have done an outstanding job. Sgt. Buckley has turned out one of the best bands the Academy has had in quite some time, along with handling the hectic job of supply officer. SGM Roberson helps SGM Balster in the Commandant phase of the department.

Overall, the military staff has been the best in many a year at the Academy.

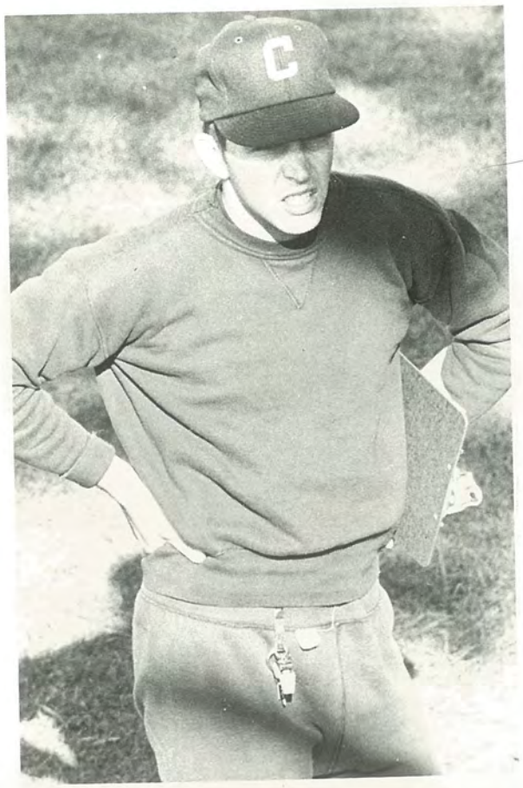
Charlie Tubbs



Larry Bjork

The Athletic Department, consisting of Coaches Charlie Tubbs and Larry Bjork, has done a tremendous job in assisting students in the physical education activities and in their inter-school sports. These sports include the Weightlifting Program and the Field Day in which students get out of school for a day to compete in track and field events for ribbons and trophies.

STUDENT COUNCIL

The student council president this year is Greg Jenney. Vice president is Ken Goebel. The student council has not been too well informed this year, consequently they have not been able to make the decisions necessary to keep the student body informed on the activities of the school. They have discussed the welfare of the cadets, they have voted on the dorm masters jobs, and the basketball tournament, in which the whole school goes to the tournament.

NATIONAL HONOR SOCIETY

The National Honor Society this year has three members. These are Steve Rayburn, President, Dave Nall, vice president, and Jere Henderson.

To be voted into the society, you must have had a "B" average the year prior to entering the society, have a "B" average upon entering the society, be voted into the society by previous society members, and must have done something outstanding for your school.

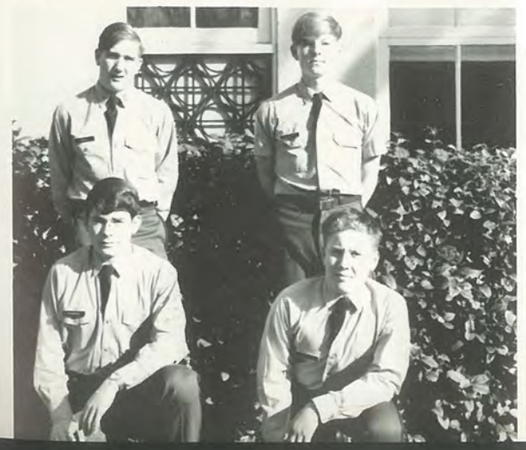
HONOR CADETS

Honor cadets in this school combine the best in military achievement and merit in attaining the Honor Cadet cord. This green cord is one of the highest awards on campus. Recipients of this cord are Jay Norton and Phillip Wray, Steve Powers, and Mike O'Neill.

DISTINCTIVE HONOR CORD

The prominent blue and gold cord seen around campus is one of Distinctive Honor. To achieve the cord, a cadet must attain a 3.5 average for a given grade period. To receive a permanent Distinctive Honor cord, a cadet must maintain a 3.5 or better for four of the six grading periods.

STANDING, Left to Right: O'Neill, Norton. KNEELING: Powers, Wray.



SITTING BACKGROUND Left to Right: Powers, Bromberg, Cashman, Danford, Anderson. FOREGROUND: Rayburn, Jenney, Jacob, Spano, Lovett, Bacigalupi, Wray.

Day By Day

Cadets return in September only to find their nude rooms dressed. As football starts, Ackerman quits to join sewing class. Campus is rocked by Nall's voice of command. Arnold Trazuski makes the scene. Rally committee is out of ideas before first rally. Cadets break losing streak in football as Houston is finally retired from team. Jenney puts first string on his violin.

After first dance Wolford finds himself cleaning some Pecker's car. Houston gets lost in fog on service road for one hour. Columbus Day Officials' rate SRMA as best Military Academy . . . Hope so because, because we were the only one. Bailey goes into business refilling Ronald McDonald happy cups. Gaddis spends three nights with the new nurse; how is your back? George has intellectual discussion with Pizza Parlor proprietor. Paul retires from the Military Service.

Father Houston explains facts of life to Brother Lally. Powers gets Honor Cadet with no help from a certain STORK. Montgomery, Stevenson, and Naify lose homesteaders' rights at San Domenico. Parker gets laughs when Houston gets speeding ticket. Koski turns down General and joins the band of his dreams. Tears are seen in Buckley's eyes at the word of decision. Bromberg LETS himself be heard in Chapel. Houston laughs harder when Parker gets speeding ticket. Jenney caught in bushes with Linfield representative.

Day By Day

Borgman drowns himself in sorrow . . . on the rocks. LaMaster almost loses head at Water District and he wasn't even flying. Shakey retires from pizza business. Ad Building tumbles as Potter walks through wall. Blake opens franchise and starts selling American Flags and apple pie. Stone Road made off-limits to all personnel. Cars continue to cruise. Stevenson and Kreiser see if Harry can "BARE" up to things.

Rayburn gets himself sexually molested by an Athenian. Rager gives Balster a night-time shower. Rayburn pulls Houston's dildo out of box in Gaddis' room. How uncouth! Blake shakes up C.O. and loses. Montgomery and Stevenson try out for comedian of the year in English class as Gaddis succumbs to nausea. "Police of another nature" make campus scene. Seniors try to hold back Lawrence from enlisting in the United States of America's inspirational and democratic Army.

Day boys find great affection for Kewell as they invite him to stay in the Locker Room. The eighteen year old vote goes through – another excuse for a party. Blake threatens to quit. An acid-freak from Berkeley tries to turn the school on to coffee. Turkey season opens only to find Goebel soaking in wine. A rumor is heard that Mrs. Bennett is taking up tree driving. New mileage record set in cruising time by Waldo Willywopper. Beer Bust in Dorm #2 – Nall begs for privacy.

Day By Day

Ford Motor Company signs McAuliffe for a two year contract as body designer. Buckley discovers that Ross has mustard for blood. Rayburn gets "the red-eye" – goes on John Wayne kick. Jenney finishes putting strings on his violin as he smashes his car (play us a tune Greg!) Drama Club decides to produce "Oh Calcutta". First car with slanted tires appears as Red Chinese invade Campus.

Staff tries to promote Baumann to the job of Postmaster General due to his excellent work as Sergeant Major. Evans turns genius as Seniors excommunicate him. Military Staff goes fishing on Federal Inspection and Col. Nett takes over. Alums turn out in numbers for Alumni Day. Many forgotten faces show up on Campus.

Slave Day arrives – seniors disappear. Seniors finally get it together only to find they have something in common . . . alcoholic's anonymous. Houston discovers, to his dismay, that two heads are not better than one. Seniors take stone road to Disneyland. Houston and Parker break down at Graduation Ceremonies and sing the School Song. So-o-o-o-o-o many tears!!!

The SRMA Mothers' Club was founded as a Fund Raising Organization. Sponsoring a variety of social events at which a set donation fee was charged has enabled the Mothers' Club to purchase many items for the Academy which directly benefited the cadets. In addition, the club has sponsored the Parent-Faculty Christmas Party. The fund raising events were held at various country clubs, yacht clubs, hotels in Marin County and San Francisco, and a number of Silent Auction.

This years' Ski Club has had two main trips to the snow, both of them to Sugar Bowl. Although there was an injury on the first trip, everything went without a hitch. On both trips the weather was excellent, but the snow conditions could have been just a little better. Goebel, Krieser, and Montgomery, the three demons, almost decided to get themselves killed, but somehow they survived their own speed.

WELFARE COMMITTEE

The Welfare Committee is made up of a select group of Juniors. They are an advisory council and meet periodically to discuss problems with Sgt. Maj. Balster, Coach Tubbs, and Col. Whiting. Their job is communication and it is very essential it is kept up.

Dances this year have been very satisfactory with the hard work of the Dance Committee. We've had some very good groups, good turn outs, and we hope for more of the same. Much work goes into a dance, and the Committee has more than earned up to it.

The school paper is always full of good reading material. We can thank the Citadel Staff for this. Many hard hours of typing, writing, blocking, etc. go into a paper, and the staff is doing an excellent job.

A Sharp Eye Holds A Steady Future

The Academy Rifle Team is strong in number this year. Bass, Miller, Powers, and Montgomery pretty well lead the team. Bass is commander, Miller executive, Powers and Montgomery #1 and #2 shooters.

EMERYVILLE
The Cadets' next game was against Emeryville on a well worked field. Due to poor weather conditions the Cadets never got going, and once again met defeat at 32-0.

C.S.D.
The Cadets kicked off to C.S.D. with a zero yardage return by the Eagles. The Eagles then mounted a strong offensive drive which was finally halted by a fumbled recoved by Steve Rayburn. The Cadets struck back with an even stronger offensive drive which put them on the scoreboard with six points. Then the Cadets lost control of the game, with C.S.D. coming back with a touchdown pass. It seemed that nothing would go right for the Cadets with fumbles at the 30-yard line and the 4-yard line, which finally resulted in a 23-6 defeat.

OUR LADY OF MERCY
Then there was a trip to Merced to play Our Lady of Mercy in a non-league game. The Cadets decided to kick-off and a few plays later recovered. The Cadets then took over the ball which resulted in Tom Kewell's serious injury to his left leg. On a roll-out pass to the right all receivers were covered and Kewell scrambled only to be caught from behind. An inexperienced Ken Kreiser did his best to put SRMS on the scoreboard, but the final score was 46-0 and another loss for the Cadets.

MENLO
After a week of very hard work, the Cadets without the help of Tom Kewell and Larry Bengson, did their best to get the Bell. Many players were in positions they hadn't played before. Coach Bjork and Coach Tubbs, with Tom Kewell, frantically tried to mount an offensive and stop Menlo dead in its tracks. At the half-time the score was 33-0. The Cadets, humiliated by the score, came back in the second half with a different defense and only let Menlo have 7 points late in the fourth quarter. The final score was 40-0, and the injured, plagued Cadets lost the biggest game of the year.

BOONEVILLE
The Cadets started their season showing more spirit and size than in the previous season. However, overconfidence and a highly spirited Booneville team led the Cadets to their first defeat – 33-6. Our only touchdown was on a pass from Kewell to Goebel.

IONE
Feeling the sting of defeat the Cadets came up with a 24-6 victory over Ione. Jim Stevenson was the outstanding player of the game with 13 tackles and 2 interceptions.

TOMALES
Traveling to Tomales the Cadets were met by a superior Tomales team resulting in a 46-0 loss. The Cadets appeared to be over-confident once more.

O'CONNELL
The Cadets opened their league play against the tough John O'Connell Boilermakers. Dazzled by the O'Connell's running game, the Cadets fell 50-8. The Cadet's only touchdown was a pass from Kewell to Bromberg.

Coach Larry Kiessig

Co-Capt. Mike Schreifer

Co-Capt. Bill Danford

The JV team this year was young and hard hitting. They lacked real experience but did their best to put a team together that the school could be proud of. Coach Larry Kiessig molded a team that had one of the strongest defenses seen at the Academy in a long time. Unfortunately they lacked an offense that could score. The JV's won one game and was the only team to score against Our Lady of Mercy School this year.

The JV's are building blocks for the Varsity and we are sure to have a great Varsity in the future.

Coach "Gad"dis

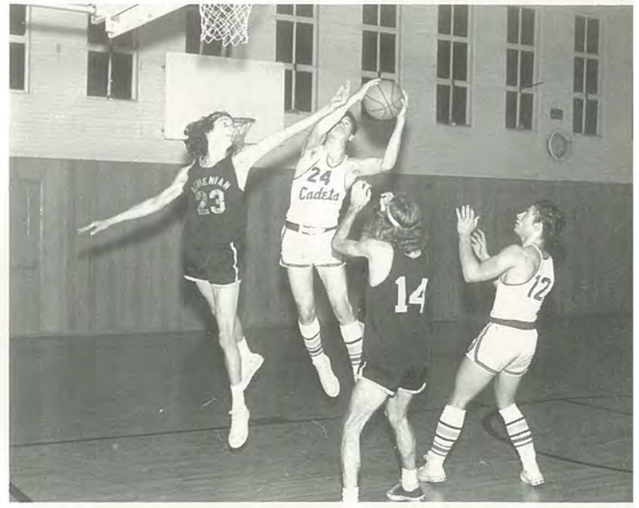
What's new Pussycat? Cadets win grudge game against Athenian 74—56.

The Varsity Basketball Team had the best season this year since 1965 in league play. Coach Mike Gaddis tried many different starting line-ups to make a successful winning team. However, without Tom Kewell, the 1970-1971 MVP, who scores the points sometimes needed to win a game, The Cadets started off rather slow. The first win for The Cadets came when they played Athenian in a grudge match that ended in a 63—55 score. After this the team's spirit rose sky high and they beat Athenian once again and beat College Prep twice. They almost beat Lick Wilmerding and John O'Connell, and The Cadets ended the season in sixth place after many years in the cellar.

Tom Kewell, missing all pre-season games because of a football injury, was high scorer for the year. He scored 222 points with an average of 17 points per game.

Ken Goebel came in second with 158 points, and Pat Ross, who came onto the team late in the season, came in third with 144 points. Two new additions to the Varsity Team were Zane Williams and Dave Anderson who came up the ranks from the JV Team.

Coach Mike Gaddis has high hopes for next year as most of his players will be returning to the Academy.



Ballet or Basketball

Who says managers are good for nothin? Just 3 pts!

"Tournament"

For the past two years the Academy had traveded to Potter Valley for the tournament but this year Potter Valley had no high school. So the Cadets traveled to Petaluma this year where the host was St. Vincent's School.

The first night the Academy played a hard fought game in front of a cheering section that hasn't been seen in a long time. The final score was St. Vincent's 73, SRMA 52. Ken Goebel, this year's M.I.P., was high scorer with 14 points. Tom Kewell had 13 and Pat Ross 10.

The next night we played Concordia in the tournament. Earlier in the season the Cadets had lost to Concordia in the league games. The Braves were somewhat over-confident, and the Cadets, seeking to win, fought hard, but the final outcome was Concordia 49, SRMA 61. Tom Kewell was high scorer with 21 points, followed by Pat Ross and Ken Goebel with 13 points each.

The final night the Cadets played one of their finest games against CSD, another Bay County League member. However, the Cadets lost to a fine team in that game with CSD 70 and SRMA 50. Tom Kewell and Ken Goebel both scored 12 points and Pat Ross followed with 10.

SRMA's Homecoming Queen entered and won the Queen contest for the Tournament.

Tom Kewell was also named to the All-Tournament Team.

J.V. Basketball

Of all teams this year at the academy, the J.V. Basketball team shows the greatest promise. A large turnout of freshman kept Coach Bjork's hands full all season.

Although the team won only a few games they gained much valuable knowledge of the game. The experience they gained will make next years team one to watch.

7th Grade Basketball

The 7th and 8th grade Basketball teams had many ups and downs this season. The teams possessed talent and hot tempers in every practice and jelled together for a good attitude towards hustle.

With little practice, the teams proved themselves in winning their first game. From then on, the teams were given only three hours a week for practice. Time proved to be an enemy; they never were given an opportunity to reach their peak performance.

All of these ball players will look forward towards high school basketball, and the JV's had better be prepared for some tough freshmen.

Wrestling

The wrestling team this year traveled far and wide in competing with many Bay City League High Schools. The team competed against such teams as Menlo, C.S.D., Washington, and R.L.S. The wins were confined to the Heavyweights with Dave Nall being undefeated, Jere Henderson winning one, and Allan Koski winning three.

Jere Henderson was chosen as the MIP and Dave Nall was chosen as the MVP. Both Nall and Koski went on to represent the BCL in the North Coast Sectional meet. Although they didn't win, they made a good showing for both SRMA and the BCL.

GOLF

Golf Coach Oliver Nixon has John Borgman, Rich La Master, and Scott Montgomery as returning lettermen. Matches scheduled include playing at such courses as the Meadow Club, Pebble Beach, and San Geronimo.

BASEBALL

The Cadets have seven returning lettermen to baseball this year. Coach Larry Bjork is determined to have a winning team this year and the team has already won two league games. The addition of a new pitching machine, donated by the Dads' Club, has strengthened the hitting ability of the team immensely.

TRACK

Three lettermen returned to Track this year. Newcomers to the team include Larry Bengson, Zane Williams, and Charles Beck. There have been three Track Meets so far, and our record is one second-place, one loss, and one meet is as yet undetermined. The three returning lettermen are Jim Stevenson, Steve Rayburn, and Mike Larkin.

The Tennis Team had no returning lettermen this year so Coach George Small had an open field to pick and choose from. Newcomers include Andre Nuygen, Gordon Charles, David Pradenas, and Ed Lively. The two matches which have been played resulted in losses. However, with hard work and individual effort, the record will turn into more wins than losses.

Acknowledgements

The '71 Adjutant staff has tried to express, through the yearbook, the concept of "Brotherhood" as seen at the Academy; the editorial idea being:

"Yesterday is but today's memory,
So smile on your brother.
Try to live with one another,
And make tomorrow today's dream."

The staff has tried to communicate this throughout the book.

Mr. Glenn R. Janson, representative from Delmar Printing Company, located in Charlotte, North Carolina, aided and assisted the staff in every way possible in order to create this year's Adjutant. We also thank Glenn, not only for his fine quality pictures, but for having patience with what was probably the most irratic staff ever assembled.

A special thanks goes to Mr. Art Kermoyan, and Mr. Stewart Bloom of Faulkner Photography. They were responsible for the majority of photographs in the book. All color resulted from their knowledge and experience of the art of photography.

As for the people who allowed us to hoodwink them into typing our copy: Mrs. Spiegel, Mrs. Carmichael, Mrs. Schultz, Mrs. Perazzo and Mrs. Kraus; they have our gratitude and thanks for not only typing but for proof-reading, which we could not have done without.

And last but not least, Mrs. Cambron, who did the senior caricatures, and Mrs. Jerome, who guarded and kept track of our account, we also thank; not just because they did what they did, but because they did it with great spirit and helped to keep the staff going.
